

atmoky

ATMOKY ENABLES HYPER-REALISTIC ACOUSTIC EXPERIENCES BY BRINGING THE 3RD DIMENSION OF AUDIO TO HEADPHONES AND LOUDSPEAKERS.

Our 3D audio software solutions enable audio hardware manufacturers and content providers to deliver mesmerizing 3D audio experiences via headphones and loudspeakers. With highly optimised solutions in terms of perceptual quality, computational efficiency, and bandwidth requirements, our products are the one-stop solution for 3D audio.
