Dhruva Space

FULL STACK SPACE ENGINEERING SOLUTIONS

Dhruva Space is an award-winning Space Technology start-up focused on building full-stack space engineering solutions. The company is based in Hyderabad, India, and Graz, Austria.

We have been actively involved in building application-agnostic satellite platforms. Our vision is to offer satellites coupled with Earth stations and launch services as an integrated solution or individually as a technology solution to power space-based applications on Earth & beyond. The founding team comprises of business & technology leaders who formerly were working with Exseed Space, amg AG, Cisco & KPMG.

USP

Faster, Affordable & Reliable

Target Market

Countries & organisations that want to launch space missions

Space Connection

The Dhruva Space team has expertise of working on space missions in India, Europe & Singapore
