## QORBY

QORBY OFFERS A FAST-TRACK TO SOCIAL COMMERCE SUCCESS, CAUSE THE FUTURE OF SHOPPING IS SOCIAL AND WE WANT EUROPE'S BRAND-NAME PRODUCTS TO BE THE LEADING WAY!

Qorby is an innovative e-commerce marketplace designed for individuals, influencers, athletes, and creators of any size to easily create and integrate their personal online store across all social media channels in just a few clicks. We turn emotions and trust built on social media into direct sales by offering a unique, seamless shopping experience.

With Qorby, everyone can build their personal online shop of selected brands, for followers to enjoy an intuitive "shop-the-look" experience with up-to-date stock and pricing.

By leveraging the power of social media, Qorby provides brands with constant visibility and deep connections with a new generation of digital consumers. We enable true peer-to-peer commerce, driven by AI that analyzes public social media data, allowing brands to engage more effectively with their audience.

Qorby is not just a platform – it's a movement to redefine e-commerce, enabling creators and brands to monetize their online presence and authenticity, to be part of global e-commerce success.
