Ruth

SAAS FOR ENABLING FULLY AUTONOMOUS, HUMANLESS RECRUITMENT PROCESSES.

Ruth helps you make better hiring decisions by taking a different approach to hiring. In addition to an in-depth evaluation of a candidate, Ruth takes a 360° approach and evaluates everyone in the organization and the organization itself. This enables Ruth to make contextual decisions about candidate-employer fit. The solution allows you to assess candidate-employer fit with any available psychological assessment tool.
