

Toucan3d

OUR VISION IS TO REVOLUTIONISE THE WORLD OF FDM 3D-PRINTING, TAKING A SIGNIFICANT STEP TOWARDS CUSTOMISED MASS PRODUCTION.

Our vision? The future of custom mass production! At Toucan3d, we are absolute pioneers in the field of 3D printing and our goal is to revolutionise the world of FDM 3D printing technology. With our innovative product, we combine low print times, high component strength, and excellent quality - all with no limitations on materials. Our product is a cost-effective upgrade for any conventional FDM printer.

We are confident that our sophisticated and innovative technology will be a significant step towards high-volume custom manufacturing. Our mission is to change the world of 3D printing and make custom mass production accessible to all. We look forward to pushing the boundaries of what is possible to create innovative solutions - all with passion and enthusiasm.
