

# WEME Global

EO EXCHANGE PLATFORM TO BOOST SATELLITE DATA BUSINESS INTEGRATION.

The WEME Team builds bridges between Space Industry & Energy Infrastructure. Our EO Platform simplifies knowledge exchange to increase business profitability.

## USP

WEME's Platform enables daily operations application of satellite data for energy infrastructure businesses.

## Target Market

B2B: Hydro Power Plant Original Equipment Manufacturers (total turbine capacity > 35 MW).

## Space Connection

Applying Earth Observation Satellite Data to answer real operational business challenges.
